Abstract: AmeriCorps seeks to revise the current information collection, which was for requests for health and religious accommodations that were specific to seeking exemptions from the COVID-19 vaccination requirement, but with this revision, AmeriCorps is revising the forms to cover all requests for health and religious accommodations. This information collection allows AmeriCorps to collect information in support of individuals' requests for religious and medical accommodations, made for sincerely held religious beliefs, practices, or observances. The forms associated with this system of records will facilitate the processing of requests for accommodations. These

forms allow AmeriCorps to collect information in support of individuals' requests for any religious and medical accommodation, so that AmeriCorps can act on those requests as appropriate. The information is collected on two separate forms: one for requests for religious accommodation and one for requests for medical accommodation. The current information collection is due to expire on June 30, 2022.

Lisa Gray,
Acting Director of Civil Rights.
